Annually, our top ranked bowler will receive a paid entry into the prestigious Women's International Bowling Congress Queens tournament. This event is held annually in conjunction with their Annual Tournament. We will use the previous year's #1 ranked bowler because of WIBC's entry requirements. Therefore, Berlin Myers has been offered this award since she was ranked #1 last season. Joan Burnett's entry will apply for the 1982 tournament in St. Louis, Missouri. In the event the top ranked bowler is not able to participate in the WIBC Queens Tournament, the spot will be offered to the next ranked bowler.
