

YABA salutes "The Guru"

Dear Mr. Parsons:

Thank you for your review of the ESPN video "Teaching Kids Bowling" [September 1989 issue]. The video has been well received and requests for the video are brisk. We believe strongly in the video and appreciate when a magazine as fine as *BOWL Magazine* reviews the work positively.

Should you ever need anything more from the YABA, feel free to contact me at anytime. Keep up the good work.

Sincerely,
Mark Schaefer
YABA Media Relations Manager
