
Two area teams top nation in scoring in 1998-1999

NCABA Assistant Executive Director Larry "Bud" Smith recently announced that two NCABA teams recorded the highest games in the nation in their category for the 1998-1999 season.

A 1,301 game rolled Oct. 24, 1998 by "No Limit Soldiers" in the Potomac Masters league at Bolling Air Force Base led the country for teams consisting of four men and one woman. Team members included Raymond Armstrong (289 game), Kevin Wilkins (239), Samaris Moton (215), Darnell R. Bell (268), and E. Maurice Moton (290).

Meanwhile, a 1,296 game scored Feb. 12, 1999 by "FUBAR" in the Lost Weekenders league at Bowl America Shirley set the pace for teams having three men and two women. The team consisted of Robert Mosser (297), Candy Grimsley (256), Dawn Fay (268), Ernie Grimsley Jr. (258), and Kevin Myers (217).

Members of both teams received plaques from the American Bowling Congress to honor their outstanding accomplishments.

Assistant Executive Director Smith requests that secretaries review ABC Rule 54, "Inspection And Reporting Procedures," so that the association is properly notified when high scores are rolled and deserving bowlers receive their awards.
