KEGEL COACHES Vernon Peterson and Steve Padilla

27 Super Bowl Mini Eliminator tournament contestants will have a little extra edge this week. They are the people who spent all day Friday at the Kegel Super Bowl Mini Training Camp.

Students in the camp all received a 10-shot C.A.T.S. (Computer Aided

“We were very pleased with the camp,” said Padilla. We were looking for 18 and got several at the last minute to have 27 in the camp.” Peterson was also happy with the way things went. “Everybody was very enthusiastic about the camp, and we think those who came will do very well this week in the tournament,” he said.

The Kegel coaches will track the progress of the camp students throughout the week and be avail-
