USBC Adult Basic membership FAQ

Several questions have been asked about the new USBC Adult Basic membership. The following are among the questions most frequently asked:

I already have a USBC Adult Standard membership, and I want to bowl in a short-season league. Do I also have to buy the USBC Adult Basic membership to bowl in the league?

No. If your USBC Adult Standard membership is current, you would not need to purchase another membership. Also, you would be eligible for honor score awards earned in the league.

What if I purchase a USBC Adult Basic membership and later decide I want the USBC Adult Standard membership?

You can upgrade to the USBC Adult Standard membership through your league secretary by paying the cost difference between the USBC Standard and USBC Basic memberships.

Do I get a membership card in the mail with my USBC Adult Basic membership?

No. You will be able to go onto BOWL.com and print a membership card.

If I bowl a 300 game or 800 series, will I get an award?

No. Your achievement will be recognized and recorded as official by USBC, but no award such as a ring or plaque is provided. You will have the opportunity to purchase an award at keepsakebowling.com.

BVL, BRIGHTENING VETERANS' LIVES, SEEKS YOUR SUPPORT

Can't make it to the Hall of Fame Induction & Dinner Celebration on October 4? Consider becoming a Hall of Fame patron for as little as \$10 (see page 7). This year, for the first time ever, the names of all patrons will appear in the next issue of BOWL Magazine in addition to the Hall of Fame program. All checks should be made payable to "NCAUSBCA Hall of Fame."

NCAUSBCA proudly supports BVL (Bowlers to Veterans Link), the oldest charity of the United States Bowling Congress (USBC). At a time when our veterans' needs are at their highest level since the Vietnam era and government funding is failing to meet these needs, BVL provides recreational and therapeutic programs and services to brighten the days of America's active duty and veteran service men and women. Several area veterans' programs receive regular contributions and support from BVL. One of those is the "We Salute You" bowling outings at the Walter Reed Medical Center. Recreational therapist Cara Novarro says there is a definite change in patient attitude after a day on the lanes. "When we arrive, there is usually a bit of hesitation," she said. "Some members are bowling for the first time on a prosthetic leg or from a wheelchair. By the time lunch is served, however, everyone is laughing and cheering for their teammates." ... NCAUSBCA would like to encourage all of its members to help raise funds to support this effort. To learn more about BVL, visit www.bowlforveterans.org or contact Berlin Myers, NCAUSBCA's BVL chairperson, at 433/883-5838 or pelelini45@gmail.com.

"BONUS" AWARDS AVAILABLE ... WHILE THEY LAST

League secretaries will receive with their rosters an application form for NCAUSBCA's new awards program. On the back of this form will be an application for "bonus" awards—awards remaining from last season that will be offered as long as they are available.

BRIEFLY....

Gracie Barnes

Gracie Barnes, a past association director and former secretary of the Kings & Queens League at Andrews Air Force Base Lanes who spent many hours in recent years volunteering at the NCAUSBCA office, died August 15 after a lengthy illness. December 31, 2014 is the deadline to submit the [NCAUSBCA Officer/Director/Delegate Candidate form](#) (available on ncausbca.org) to the association office. ... Director Sheila Small recently resigned from the NCAUSBCA board.

MEMBERSHIP DEPT.

Marva G. Lawhorn of Springfield, Va., has been suspended from membership and office by USBC. ... Meanwhile, Tiffany D. Smith of Waldorf, Md., has been temporarily suspended from holding office in a USBC league or tournament.

PRESIDENT'S MESSAGE • GENE O. MAYS

New season brings new awards program

Welcome, bowlers to the 2014-2015 season. NCAUSBCA has started a new awards program for its members, and I will endeavor to make sure each bowler will get the award(s) he or she has earned and that it is presented in a timely manner.

In fact, the NCAUSBCA board will strive to ensure that your continued membership in USBC is friendly, pleasant, and financially stable.

As a reminder, due to changes made by the United States Bowling Congress, the "300 Game," "800

Series," and "900 Series" honor score awards are now lifetime awards and are only given once to bowlers who have not previously earned the award.

This year's Hall of Fame Induction & Dinner Celebration will take place on October 4, 2014 at the Bolling Air Force Base Officers Club on Joint Base Anacostia-Bolling. Tickets can be purchased through your lane director or the association office.

Even though our Annual Meeting will not take place until March 15, 2015, I would like to encourage

you to attend and bring at least one other member to express your thoughts and suggestions. At this meeting, there will be an election of association officers and directors. In addition, decisions will be made to send delegates to the state meeting and the USBC Convention to vote on proposed rules and/or bylaws changes.

We all must do our part to get new bowlers to join our leagues. We also must encourage our fellow bowlers to participate in association annual activities such as the Hall of Fame event, the Annual Meeting, and the tournaments that are conducted for our members.

For any information that you may need, please contact the association office or me at president@ncausbca.org.

Once again, Good Bowling!

New season items for review

Fall leagues are starting, and for some have already begun. Again I ask: *Where did my summer go?*

Summer 2014: Reminder that summer league averages are now due at the association office.

Fall 2014: I hope you attended your league organizational meeting because it is your best chance to adopt league rules to correct situations that caused problems last season. League rules may be changed prior to the start of the schedule by a majority vote. However, once the league begins, changes to the rules or approved prize list require written consent of every team captain or designated representative. As a reminder, vacancies in office shall be filled by the board (officers and team captains) of directors.

President: Must verify (do the math to determine if the funds on deposit are believable) the league's funds monthly; appoint an audit committee and conduct at least one audit no later than one month before prizes are due to be distributed; and have a committee produce and get approved a prize list by the fifth week of bowling.

Secretary: Have every member fill out a membership application and collect appropriate fees; submit the league application and cards to the association office within 30 days from the start of the league schedule; and submit awards to the association office within 20 days. As a reminder, we cannot process awards until your league has been processed, so

please submit the league application and worksheet *promptly*. In addition, review the league roster upon receipt to ensure all of your league members are correctly listed.

Sanction fees: Still \$21 for standard membership; \$11 for state and local (\$10 for local only); membership is good through Summer 2015. Basic membership is only good for *one* league.

Awards: Honor score (300, 800, 900) awards are now a lifetime achievement in standard leagues. NCAUSBCA has developed a local awards program for this season, including summer. The old awards (magnets and key tags) will be awarded as long as supplies last. They will be a little tougher to earn this season, so good luck. Award forms as well as many other forms can be found in the "**Secretary's Corner**" on the association Web site at ncausbca.org.

Tournaments: Much of our tournament schedule has been set:

- **Senior Tournament**, October 25-26 and November 1-2 at Bowl America Woodbridge.
- **Mixed Tournament in Support of BVL**, December 6-7 at Bowl America Shirley.
- **Youth Championship Tournament**, February 28, March 1, and 7-8, 2015 at Bowl America Falls Church.
- **Open Championship Tournament**, March 28-29 and April 11-12 and 18-19, 2015 at Bowl America

Hall of Fame to welcome Blocker, Kneas, Spriggs, and Yarborough

“Class of 2014” induction October 4 at Joint Base Anacostia-Bolling

Eddie Blocker Jr., was introduced to bowling as a result of a leisurely outing with friends. After a planned evening to a concert was cancelled due to the loss of tickets, someone suggested bowling, and this was how it all started.

Eddie joined his first bowling league in 1972 at Fair Lanes University using a house ball and house shoes

for an entire season. His first bowling instructions and encouragements came from Pete Jackson of Myers' Pro Shop at University and Jim Robinette of the Carmen Don Pro Shop. While continuing to gain more knowledge of the art of bowling, Eddie briefly worked at Myers' Pro Shop and Holmes' Pro Shop at AMF Capital Plaza to learn the art of ball drilling and bowling equipment maintenance.

His passion for the sport, his positive mental attitude, and his wonderful experiences with his mentors made his

decision easy to become a mentor to youth bowlers. He quickly became a certified youth bowling coach for the American Junior Bowling Congress and has been an active coach since 1977.

He takes pride in having coached and assisted in the development of numerous youth bowlers, including future NCAUSBCA Hall of Famer Anthony Chapman, Chris Johnson, Nate Bolden, Anthony Whitehead, Ronald Davis, Christy Peets, and Debbie Myers.

For the 2012-2013 season, he served as Head Official, Division II for NCAA Women's Bowling at Howard University.

On the lanes, Eddie, has recorded 15 perfect games and two 800 series. As a 16-year PBA Senior member, he made six "Top 16" match play finals, including a third-place finish in the 2007 PBA East Region Fort Meade Senior Open. His tournament titles include the 1982 Virginia State Scratch and Handicap Doubles (with future NCAUSBCA Hall of Famer Donny Carr) and the 1986 NCABA (Nation's Capital Area Bowling Association) Scratch Singles. He also has a third-place Singles finish in the Bill Rhodman Tournament in Delaware.

Even though Eddie has suffered three knee operations in the past seven years, he continues to enjoy the sport he loves by bowling in two leagues.

Eddie Blocker Jr., is an accomplished bowler with a wealth of knowledge that he enjoys sharing, especially with the youth. A special spot has been reserved for him in the NCAUSBCA Hall of Fame.

IMPORTANT

As a result of this year's Hall of Fame Induction & Dinner Celebration being held in the Capital Ballroom of the Bolling Air Force Base Officers Club on Joint Base Anacostia-Bolling, security regulations require that information (name, date of birth, and driver's license number & expiration date or SSN) will have to be collected from all attendees not possessing a Federal Government, law enforcement, or military ID.

To avoid the hassle of a trip to the Visitor Center on October 4, the day of the event, those planning to attend are advised to supply the required information as noted on the Hall of Fame ticket to NCAUSBCA Manager Ronald McGregor (301/499-1693 x102), who will submit the information to the base. A special gate list then will be prepared that will permit easy entrance through the South Gate at Joint Base Anacostia-Bolling for those holding a Hall of Fame ticket.

All attendees must arrive no later than 5:15 p.m. to be assured of admittance to the base.

David Kneas has enjoyed local success in competition at Crofton Bowling Centre and The Lanes Fort Meade, where he was one of the first bowlers in this area ever to average over 200 in a Sport Bowling league. In recent years, in addition to his league participation, he has spent much time on the road competing—and succeeding—in Professional Bowlers

Association events.

His success on the lanes, in fact, has earned the right-hander much admiration and respect from the likes of PBA Hall of Famers Danny Wiseman, Johnny Petraglia, George Pappas, Tom Baker, and numerous other pros. Said

- Over \$100,000 in PBA career winnings
- Only bowler in PBA history to win a match play title by bowling back-to-back 300s (Franklin, Va., 2010)

He also is a winner of more than 40 amateur tournaments, including:

- 3 Nation's Capital / Baltimore Area Masters titles
- 3 Tournament Concepts titles
- 9-time Sport Shot Tournament Champion (York, Pa.)

He has "Top 125" finishes in Singles and All-Events categories in the USBC Open Championships Tournament and third-place finishes in the Scratch Team category in the association's Open Championship Tournament and in the Senior Division of the *Bowlers Journal* Tournament.

David, who has averaged over 220 for nearly all of the past 20 seasons, has rolled over 50 perfect games and 20-plus 800s, with a top series of 861.

David Kneas has excelled on the lanes in local league and tournament competition for many years, and his overall success as a professional is among the best ever by a bowler in this area. He is a most worthy addition to the NCAUSBCA Hall of Fame.

Ernest W. Spriggs, a native Washingtonian and mortgage professional for over 20 years, began his love for the sport of bowling in the early 1970s. The Spriggs bowled as a family at Parkland Bowl, when the center consisted of duckpins and tenpins. With the positive reinforcement by his Mom, Dorothy Spriggs, an avid bowler herself, bowling became Ernest's passion.

He began his bowling career in the junior program at Parkland and became a full-time adult association member in 1983 after graduating from college. He also has been a member of TNBA (The National Bowling Association) for over 20 years.

Some of his bowling achievements include:

- 32 - 300 games (first perfect game rolled in October 1985 in Cincinnati Mixed at Parkland)
- 15 - 800 series (high of 844 ... first 800, an 802, scored November 1993 in Potomac Masters at Bolling AFB)
- Highest season average of 237, with a 228 composite for 441 games in the 2012-2013 season
- 6 "Top 10" finishes on NCAUSBCA Official Men's Average Ranking
- Living Legends Challenge Champion
- Over/Under 50 Doubles Scratch Champion with partner Marcus Bell
- 3-time Money Bags Champion (both Open and Senior divisions)
- VMSBT (Virginia Maryland Scratch Bowlers Tour) Champion
- Nation's Capital / Baltimore Area Masters Champion
- Tournament Concepts Champion
- A two-time 600-700 Scratch Mixed Doubles Champion, Ernest is an active participant and casher in NCAUSBCA Open and ABC/USBC Open Championships tournaments
- Several "Top 5" finishes at TNBA's Reed Hawthorne and Eastern Bill Rhodman Singles Scratch Classic tournaments
- Member (with Anthony Chapman, Graylon Clagett, Norman Smith, and Ernest Sevous) of the first all African-American team in the Brunswick World Team Challenge to make TV finals in 1995
- Bowled the 2007 64th U.S. Open in Brunswick, N.J. (averaged 189 for 18 games on an extremely tough pattern)
- Appeared in *BOWL Magazine's* "The Best Bowling Tip I've Ever Received" in November 2005

Ernest has competed in the sport at a very high level for many years and has averaged in the 220s for the past 15 years. He is well respected in the bowling community and always exemplifies a professional attitude and demeanor.

Ernest Spriggs's commitment to and on-lane excellence in the sport of bowling, along with his longtime support of association events, make him a well-deserved addition to the NCAUSBCA Hall of Fame.

George Yarborough started bowling in 1981 with the Mount Zion Rollers at Rinaldi's Riverdale Bowl. He bowled in several leagues over many years, starting with a low average of 134 and ending his bowling career with an average of 161. A lot of people would say that this is not an average to be proud of, but during his bowling career, he became deeply involved with both the local adult and youth bowling associations.

During 1987 and 1988, George became part of the Vir-

How to stop squeezing the ball; prepping for 2014-2015

Q. *My tendency is to squeeze the ball to hang on. I know I should not do this, but the ball feels like I am going to drop it. What do I need to do to stop this problem?*

A. Squeezing the ball to hang on causes many problems in the game of bowling—loss of accuracy due to an inconsistent release point, loss of carry, and under-/overreaction are just a few.

First, go see your pro shop and make sure your fit is still proper. The hand goes through changes over time, so something might have changed. Make sure the span

is still correct and that the thumb hole is not too loose.

If you have never used tape in the thumb hole, ask your drilling professional to teach you the art of taping the thumb hole to keep up with the natural changes in the size of your thumb.

Any one or all of these things give you the feel of dropping the ball.

If after these things are checked, your fit is fine, then you are just trying to control your hold of the ball. This is not a good thing: You are then subject to all of the symptoms of a bad fit.

I think all of us bowlers squeeze the ball sometimes, especially

when we are trying too hard to make a good shot. My trick for this is to set up and squeeze the ball purposely before beginning my approach. Do a hard squeeze, then relax and begin approach.

Most of the time doing this keeps you from squeezing the ball during your approach. Your accuracy and pin carry will go up.

Q. *What do you do to get ready for the new season?*

A. First, I hope you didn't quit all summer. I bowl in one summer league just to keep some rhythm.

Then I go to the pro shop and check my equipment, have them clean it up and resurface if needed, and have them check my arsenal to make sure I have all my bases covered for the upcoming season.

I get a new ball if I need one to fill out my arsenal.

Then I start practicing at least once a week—twice a week is better to regain muscle memory and also to regain confidence in my timing. This helps especially with shooting spares.

You don't have to spend hours practicing. If your league is three games, then bowl three games. If it is four games, then do four games. This gets you back in your normal bowling mode.

HALL OF FAME, from page 10

Mar District Junior Bowling Association as a Coach Director. In 1989-1991, he served as the organization's Sergeant-at-Arms, after which he served as Youth Director for the Silver Hill Strikers League.

His Vir-Mar District officer roles continued as he was elected Third Vice President (1991-1995), then First Vice President (1995-1999), and finally President (1999-2001).

George's tireless contributions to youth bowling also include his longtime assistance with the prestigious annual Youth Invitational Scratch Singles Tournament. His heartfelt involvement with youth bowlers stemmed not only to bowling but to their personal lives as well. He opened the doors for many bowlers who were unaware of educational and other opportunities that came from the game of bowling.

As noted earlier, George also was active with the adult association: He was a Director for the Nation's Capital Area Bowling Association (NCABA) from 1990 until 1994, during which time he served on the BVL, Program Evaluation, and Tournament Site Selection committees and also was Legislative Chairman until 1994 when he became Fifth Vice President. For the next five seasons, he held each of the vice presidential posts and then was elected NCABA president for the 1999-2000 season.

George Yarborough's positive attitude, commitment, and successes in the sport of bowling, especially with our youth bowlers, have earned him an honored place in the NCAUSBCA Hall of Fame.
