## **RE-CREATION AND BVL: BRIGHTENING VETERANS' LIVES TOGETHER**

The new year marks 33 years of BVL's partnership with the outstanding traveling performance troupe known as "Re-Creation." It was 1983 when BVL joined forces with what was then an established USO troupe performing in VA Medical Centers. The BVL leadership agreed that the "Re-Creation" program fit very well with the organization's mission to brighten the days and boost the spirits of those who have served our country. The same year BVL became a sponsor of the group, "Re-Creation" took over the national programming of the organization. Today, more than 5,000 shows have been presented in VA Hospitals and State Veterans Homes in every state in the USA -- and the BVL/"Re-Creation" partnership has exceeded all expectations.

## **BRIEFLY....**

The United States Bowling Congress has signed on as a major sponsor of the Professional Bowlers Association through 2018. As part of the agreement, USBC will run commercials showcasing its "Future for the Sport" campaign throughout the PBA Tour telecast season. ... Chuck Foudray of Green Bay, Wis., tossed 30 strikes on the way to becoming the oldest bowler to roll an 800 series. His performance during the Monday MFL (Manhattan Fun league) at Manhattan Lanes in De Pere, Wis., on December 14 included games of 254, 278, and 278 for an 810 series. At 84 years, 3 months, and 28 days old, Foudray supplants Gerald Gray of Celina, Ohio, who was 83 years, 7 months old when he rolled an 805 series in 2005. Foudray's only previous USBC-certified 800 was an 815 set in 2010. ... Kim Adler of Melbourne, Fla., and Mike Durbin of Hollywood, Calif., have been elected to the USBC Hall of Fame in the Superior Performance category. The 2016 USBC Hall of Fame induction ceremony will take place April 28 in Las Vegas as part of the USBC Convention. In addition to Adler and Durbin, the five-member Hall of Fame class for 2016 includes two-time Open Championships titlist Steve Kloempken of Pleasant View, Utah, in the Outstanding USBC Performance Category; PBA senior standout Harry Sullins of Chesterfield Township, Mich., in the Veterans category; and Joan Romeo of Van Nuys, Calif., in Meritorious Service.

## ACTING PRESIDENT'S MESSAGE • WILLIE GRAVES JR.

### *Just one more bowler, please*

Season's Greetings. I hope everyone had an enjoyable and blessed holiday season.

The new year starts a new round of NCAUSBCA-sponsored tournaments. We ask that you sign up at least one more bowler to participate with you in our events, with hopes the added participation will bring more excitement in addition to larger prize funds, more sponsor support, and increased ways for you to cash.

You can always find an entry form for our tournaments on [ncausbca.org](http://ncausbca.org) if you cannot find one at your center. If you have a Facebook account, be sure to "Like Us" so that you will be informed whenever a new form or tournament results are posted.

I would also like to remind everyone that the 2016 [NCAUSBCA Annual Membership Meeting](#) will be held on Sunday, February 28, 2016 at National Golf Club at Tanttallon in Fort Washington, Md. I strongly encourage all members of this association to come out to

vote in the election of your board of directors, on proposed rules and/or bylaw changes as well the election of delegates to the Virginia State meetings and to the USBC Convention. This also will give you an opportunity to meet and greet other bowlers whom you may not have seen lately, while also getting a chance to speak directly to and ask questions of members of the NCAUSBCA board of directors.

As an additional reminder, all leagues by now should have established an audit committee to review and reconcile the league's financial position. If your league has not completed the necessary and important task of completing an audit, I strongly suggest that your league do so to ensure funds are being properly managed, prize money payouts are correct, and to abide by USBC rules.

If you should have questions, you may contact your [lane representative](#), the association office, or me at [president@ncausbca.org](mailto:president@ncausbca.org).

Director Adam Mitchell (right) has been appointed the new manager of the [NCAUSBCA Mixed Scratch Doubles Tournament](#), succeeding the late Larry Gonzales. Association Manager Ronald McGregor made the appointment. Bowl America Fairfax again will host this year's event, which is scheduled to take place February 21.

## Staying confident; bad heat; best practices

**Q.** *I seem to bowl great in league, but whenever I try a tournament, things never seem to go well. I have tried to stay positive and not lose my confidence, but nothing seems to work. Help!*

**A.** I can tell that you have lost confidence before you get to the lanes. I have a friend who calls this “Stinkin’ Thinkin’”. You start with, *When I go to a tournament, nothing seems to go well.* Bad start since you already expect that nothing will go well. You try to stay confident, meaning you are already not confident. You are putting your

efforts into your scoring over making quality shots.

Next tournament, forget about how you might finish, and just make the best shots you can each time. If you don’t strike, make the spare.

Take each frame as though it is a full game. This way, you can quit

**Please! Do not, I repeat, do not try to bake your ball in the oven.**

thinking ahead. You can’t bowl the 10th frame before bowling the first frame. All the frames of a game are the most important. It is easier to get one strike than it is to get 10 strikes in a row. Thinking too far

ahead is too much pressure for anyone. If you take away that pressure, your game and confidence will improve.

**Q.** *I am just your average league bowler, and my bowling balls are over a year old and have quit hooking. My higher-average friends have told me that heating the ball can get the oil build-up out, and the ball will hook again. I want to put it in the oven. What temperature is best to get this done?*

**A.** Please! Do not, I repeat, do not try to bake your ball in the oven. A few years ago, I was in a pro shop when one of our league bowlers came in and asked if I could fix his ball. He had tried to bake it in the oven to get out the oil. The ball was all rippled and looked like an over-ripe orange. I had to inform him that the repair for this is a new ball. So he had to fork over \$200 instead of the \$25 to \$35 to have his ball rejuvenated and resurfaced in our shop.

There is a ball rejuvenator that uses heat in most shops, and they do work. The heat is very low, and the ball spins around to keep the heat even. Most shops will then resurface the ball and bring it back to almost-new condition.

The moral of this story: Save yourself some money, and let your pro shop experts take care of your ball.

**Q.** *Do you have any suggestions on the best way to practice?*

**A.** The best thing you can do to

## ASK BOB, from page 14

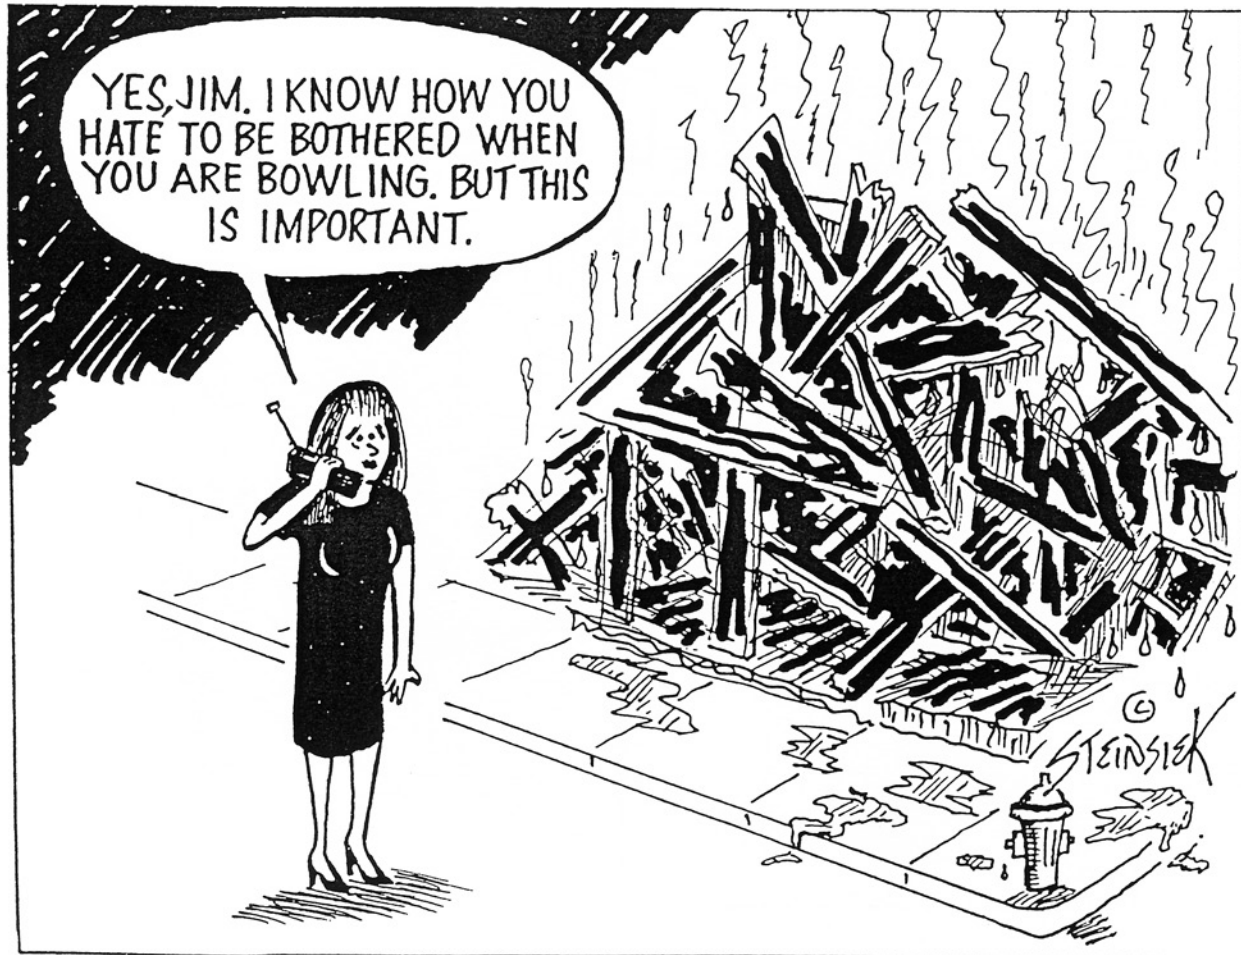

increase your scores is to increase accuracy and make more spares. With that in mind, when you practice, the first thing is don't keep score. Work on your spare shooting; this will help you to make more spares and also helps with accuracy for the first ball.

My favorite tip for practice is one I got from a coach and friend of mine in Las Vegas: *Save money on your practice by shooting at your spares first.*

Go for the 10-pin or the 7-pin. Then shoot for your strike mark. This way, you are getting two shots every frame—all you get for a strike is one less shot. Save those shots and save money.
