New league designation to bridge gap between Standard, Sport

ARLINGTON, Texas – As the United States Bowling Congress continues to seek ways to ensure reported averages are a true reflection of a bowler's abilities, USBC has established a new designation for leagues competing on lane conditions that fall between Standard and Sport conditions. A new Challenge lane condition designation and conversion chart was determined based on research of leagues conducted under a Sport/Challenge designation, as well as leagues competing on Blue lane conditions.

Recent research showed a discrepancy for leagues competing on more difficult, though not Sport, lane conditions. Because these leagues were not conducting their full league season on Sport conditions, or were using a variety of lane conditions, the leagues were designating as Standard, as currently there is no other option. The Challenge designation provides the solution.

"A thorough examination of bowlers who have competed in both Standard and Challenge leagues showed a discrepancy that needed to be addressed," USBC Executive Director Chad Murphy said. "The data showed us that using a Sport conversion for some leagues might not be appropriate, but the averages of bowlers competing on certain conditions did warrant a conversion to ensure they are not gaining an unfair advantage when they compete on Standard conditions.

WELU SCHOLARSHIP APPLICATIONS NOW BEING ACCEPTED

The Professional Bowlers Association is now accepting applications for the 2017 PBA Billy Welu Scholarship Award that recognizes exemplary qualities in male or female college students who compete in the sport of bowling. To be eligible, candidates must be amateur bowlers who are currently in college (preceding the application date) and maintaining at least a 2.5/4.0 GPA or equivalent. Applications must be postmarked by June 15. The scholarship, which awards \$1,000 to the winner, was established to annually recognize a college student who combines outstanding bowling talents with academic excellence. The scholarship is named after the PBA Hall of Fame bowler who passed away in 1974 and was best known for his expert analysis alongside legendary ABC broadcaster and fellow Hall of Famer Chris Schenkel on the "Pro Bowlers Tour" series. The application can be retrieved [here](#). Nominations can be [eMailed](#) or mailed to PBA Billy Welu Scholarship, 55 E. Jackson Blvd., Suite 401, Chicago, IL 60604.

BOWIE STATE WOMEN: CHAMPS FOR THIRD CONSECUTIVE YEAR

The Bowie State University women's bowling team won their third consecutive Central Intercollegiate Athletic Association (CIAA) championship on March 26 in Chesapeake, Va., defeating Fayetteville State University 4-2 after coming out of the losers bracket. The win also marks Bowie State's 7th overall CIAA crown (2005, 2006, 2010, 2013, 2015, 2016, and 2017). The Bulldogs won the double-elimination tournament by scores of 165-138, 166-173, 178-175, 208-134, 156-157, and 168-107. Senior Ashley Wade and redshirt junior Sierra Davis were named Co-MVPs of the tournament, and sophomore Shannon Weaver was selected to the All-Tournament Team. Meanwhile, Davis and sophomore Diamond Carter were named First Team All-CIAA during the event's opening ceremonies. Kenneth Scott is head coach of the Bulldogs; assistant coaches are NCAUSBCA Director Andrew "Doc" Campbell and LaVerne Campbell.

BRIEFLY....

Stan Wiggins' 205 average for 21 games in the 2015-2016 Mixing Bowl Rollers league at Bowl America Shirley was added to the online average listings at [ncausbca.org](#).

MEMBERSHIP DEPT.

Jesse H. Behrens of Potomac, Md., Brandi S. Keller of Alexandria, Va., and Clifton L. Paylor of Oxon Hill, Md., have been suspended from membership in USBC, and Andrew P. Turner of District Heights, Md., has been suspended from membership and office.

Strike up some notes

Congratulations to all league champions and to all winter leagues that have ended their winter season without encountering or enduring any major conflicts and/or problems during the season that might have caused some of us not to have a great bowling experience.

For most of us, our winter leagues have ended or will end over the next few weeks. However, before you start making plans for that summer vacation or just giving your bowling ball a summer vacation, I would like each of you to write down any improvements or changes you would like to see in your league rules. Why I am asking this of you now is because you probably will not remember three or four months from now when you once again will come to gather for your organizational meeting to start your winter league.

One might wonder what type of issues a league might have. Several items come to mind:

- Does your league rule effectively handle subs bowling during position rounds? If not, what changes would you recommend?
- Will you allow for extra members on your team roster?
- Does the league allow arrears for weekly bowling fees?
- Do arrearage fees include special fees like additional prize fund collections and/or one-time payment for secretary/treasurer fees?

Unfortunately, there are too many times league members say nothing at their organizational meeting or do not even bother to

attend and then later want to complain or bring issues to the board of directors. I strongly suggest that you make notes now of changes you would like to make in your leagues rules so you will be ready to enjoy your summer vacation knowing that you will be ready for your organizational meeting.

I also would recommend that you familiarize yourself with dealing with a league protest process if you plan to become a league officer or team captain. (Please visit BOWL.com.)

I recently attended the 2017 USBC Convention in Las Vegas, Nevada where your association received a USBC BVL (Bowlers to

Veterans Link) Award. We contributed the third largest amount in the country among local associations towards this worthwhile effort of support of our veterans who have given so much for us and the freedoms that we enjoy. I thank all who purchased items at our tournaments, made donations to BVL, and/or participated in our annual Mixed Tournament in Support of BVL. It was through your participation and generosity that allowed your association to earn this honor. I hope we can count on your participation and support of BVL in the future.

If you should require additional information regarding your association or have bowling-related questions, please feel free to contact me at president@ncausbca.org or the association manager at manager@ncausbca.org. And always remember that spares will become strikes at some time.

SHARON ELLMAN FOR USBC

At the recent BVL Breakfast Workshop in Las Vegas, Nev., President Willie Graves Jr. (right) accepts a plaque on behalf of NCAUSBCA for its members having the third highest BVL contribution total (\$17,828.95) among local associations for the 2015-2016 season. Appearing alongside are BVL Executive Director Mary Harrar and John LaSpina, chair of the BVL board of directors. Metro Phoenix USBC was the top contributor with \$22,000, and Citrus Belt USBC placed second with \$18,080.33.

Do you know who is eligible to receive prize money?

Most leagues are almost over or have ended, and invariably the questions begin regarding prize payout and who is eligible to receive prize money. Members who left in good standing are entitled to a prorated share. Prize money and its distribution is the team's responsibility, and all payments should be made in accordance with USBC Rule 104a/7.

If your league still awards individual prizes for high game, etc., be aware that, unless otherwise provided by league rules, bowlers may only collect one prize. I am aware of one league that had nine bowlers tie for high game.

Secretaries may request a fillable final average form or complete the form we mailed out. Under the "Hand" column, write "R" (right-handed) or "L" (left-handed) **only** if a bowler used the hand he/she does not normally use, such as due to injury. Otherwise, please leave this column blank.

We have had a few protests this season. League officers need to act immediately when an issue is brought to their attention. If a meeting is called, the minutes must be accurate, as they will weigh heavily in the decision rendered by the local association or USBC if an appeal is filed. Protests, which are covered in Rule 119, must mention

what rule(s) is being violated, and they must follow the time limits as well.

As always, please request your center's lane representative to present awards to your league.

Summer leagues are starting, and anyone purchasing a Basic or Standard membership through a summer league must be made aware that this membership does *not* carry over to the fall season.

The Women's Championship Tournament was completed in March, and the checks have been mailed. Congratulations to the winners, and, thanks to those who bowled, entries increased this season.

Facebook users again are reminded to "Like Us" via ncausbca.org or [facebook.com/ncausbca](https://www.facebook.com/ncausbca) to stay current on all association tournaments and related activities. These include our daily fund-raiser throughout May to support our awards program as well as a sponsored bus trip to the Harrington Raceway & Casino in Delaware on June 24. Our first bus trip in November was a huge success, so I'd advise those thinking about going to not wait too long to purchase their bus ticket.

USBC Convention Report

LAS VEGAS – Delegates voted on three board positions, watched presentations of national awards, and heard reports from United States Bowling Congress President Frank Wilkinson and USBC Executive Director Chad Murphy as the 2017 USBC Convention and Annual Meeting wrapped up April 27 at The Orleans.

Four candidates ran for the three open spots on the USBC board. Incumbents Jo Dimond of Columbus, Ohio and Karl Kielich of El Paso, Texas were slated by the USBC Nominating Committee along with Glenda Beckett of Palmetto Bay, Florida, and NCAUSBCA Director Adam Mitchell of Reston, Virginia.

Kielich (617 votes), Mitchell (567), and Dimond (562) were elected on the first ballot. Beckett received 490 votes. The three elected each will begin a three-year board term starting Aug. 1, 2017.

Two athlete representatives were reelected to the USBC board earlier this year. Kelly Kulick was selected for her third term, and to Rhino Page his second, by Team USA athletes.

The International Bowling Campus Youth Committee will have two new members as John McCarthy III of Louisville, Kentucky and Taffany Shipp of Pensacola, Florida were selected to replace outgoing members Mike Hillman and Kim

Stanek-Sims. IBC Youth Committee members were determined earlier this year and approved by the boards of the Bowling Proprietors' Association of America and USBC.

Delegates also decided 14 proposed amendments—two for league rules, seven proposals for tournament rules (one was withdrawn), and five bylaws proposals—during the Annual Meeting. Nine of the proposed amendments passed, including a proposal to allow leagues and tournament directors the option to cap a handicap game at 300 and to cap a handicap series at 900.

Other highlights from Convention week were the annual presentations by Bowlers to Veterans Link (BVL) and Bowl for the Cure®.

BVL provides recreational and therapeutic programs and services to brighten the days of America's active duty and veteran service men and women. Founded in 1942, it is the sport's oldest charity and has raised nearly \$50 million.

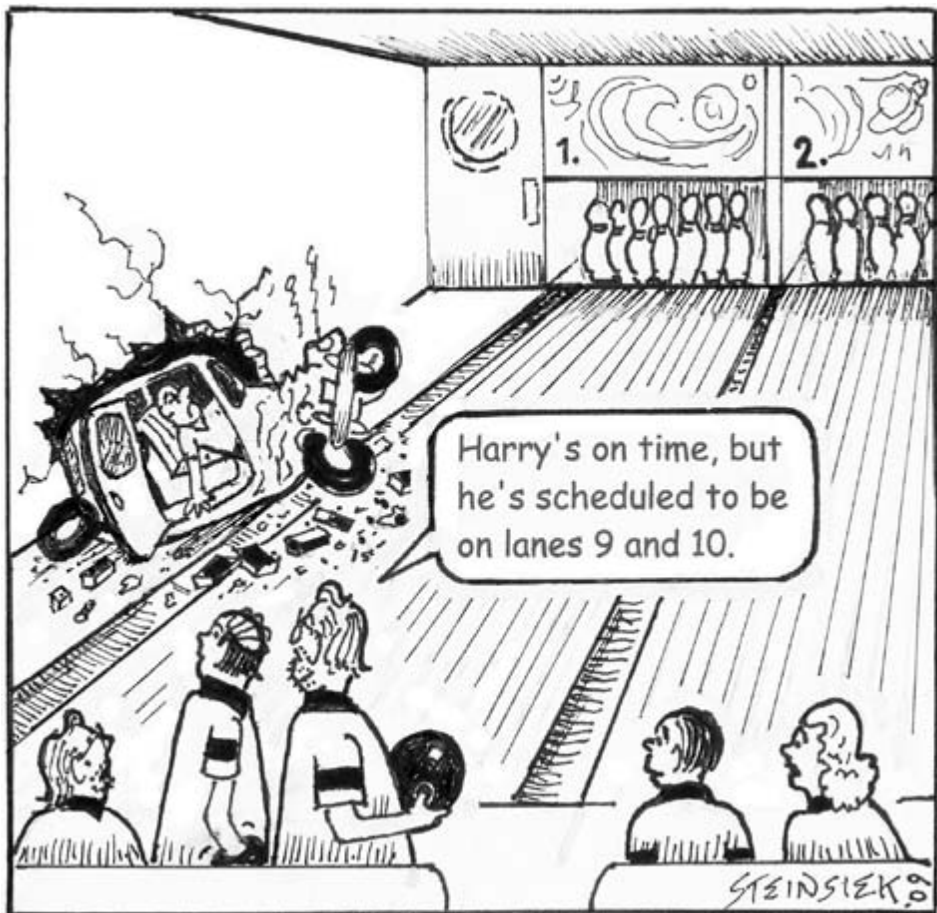

BVL raised \$925,500 for the Department of Veterans Affairs thanks to contributions made during the 2015-2016 season. California was the top state association contributor with \$108,500, Metro Phoenix led local associations with a \$22,000 donation, and Stockton USBC was recognized as Best Small Local Association with an average contribution of \$9.28 per member. Go to BowlForVeterans.org to learn more about BVL.

USBC will implement new requirements for lane inspections for the 2018-2019 season and will adjust specifications for new installations for the 2019-2020 season based on recent research by the USBC Equipment Specifications and Certifications team.

Go to BOWL.com to read more about the changes to lane inspections and the new Challenge lane condition designation.

Sweaty hands, sore wrists, and limited budgets

Q. *I have a problem with my hand sweating that causes me to drop the ball, and I lose control. What can I do to stop this problem?*

A. There are several brands of hand dry products available at your local pro shop. Make sure whatever you use that it does not have rosin in it because sweat and rosin equals glue.

I use Control Grip from Master Products. It is a white powder and comes in a plastic bottle. It has no rosin in it and keeps your hand dry while maintaining a consistent grip. Ask for it at your pro shop. If they don't have it they can order it from Master Products, which is

now owned by Storm. It is not too expensive, and a bottle should last you for at least a couple of seasons or more.

FYI: I am a Roto Grip staff member, and Roto Grip is also affiliated with Storm. However, I have been using Control Grip for many years before I was on staff.

Q. *I have a sore wrist, and it feels like tendonitis. The pain sort of radiates from the fingers on release. I have tried wrist braces, but they are not comfortable to me. Do you have any suggestions as to what else I might try?*

A. First, get yourself to a doctor and make sure you are not doing more damage to your tendons or wrist. If the doctor clears you, ask him what anti-inflammatory pills you can take to reduce pain while bowling.

You could also try having a pinky finger hole drilled in your bowling balls. This spreads out the weight of the ball in your hand, and the pinky finger helps the other fingers carry the weight and reduces the stress on the other fingers at release.

Q. *I am a beginner bowler, and I love the game. I would like to get my own equipment but am on a limited budget. What should I purchase first? Also, where should I go to get the best deal on bowling equipment?*

A. The first purchase you should make is bowling shoes. They don't have to be expensive, and today's bowling shoes come in many styles. Getting the shoes first makes the most sense because every time you go bowl you have to pay a rental fee. Take the money you would have to pay for the shoes and save it toward a bowling ball and bag.

Since you are just beginning, I would go to the pro shop where you bowl. Most of them carry shoes in stock, and you can try them on.

While you are looking at the shoes, ask them about a price for a package deal. Some pro shops will give discounts if you buy the ball, bag, and shoes together. The pro shops also may have lessons available and some might throw in a lesson or two with the new equipment. Don't be afraid to ask; most pro shops are very helpful.

Anderson, Billings capture divisional titles at Youth 600 Club Tournament of Champions

Champions Samuel Anderson (left) and Ja'Sean Billings

Top seed Samuel Anderson defeated third seed Garrett Meadows 239-173 to win the 180 and Above average division in the NCAUSBCA Youth 600 Club Tournament of Champions held March 18 at Bowl America Falls Church. Anderson averaged 231.5 for 11 games.

Meanwhile, Billings, also a top seed, struck out in the 10th frame to defeat fourth seed Tamera Stanton 215-209 to win the Under 180 average division. Billings averaged 205.6 for 11 games.

In the 180 and Over division, third seed Meadows rolled a perfect game in the first step-ladder contest, defeating fourth seed Ethan Cottle, who scored 210. Meadows then defeated second seed Denard Bankston II 229-203 in the semifinal match.

In the Under 180 division, Stanton defeated third seed Justus Lewis 209-185 and second seed Richard Peterson 189-181 to reach the championship match.

At left, Garrett Meadows exults after tossing his perfect game.

Tamera Stanton's outstanding championship match performance was topped by Ja'Sean Billings' clutch performance in the final frame.

12th Annual DC's Finest Mixed Handicap Tourney begins July 1

The 12th Annual DC's Finest Mixed Handicap Tournament 2017 will return to Crofton Bowling Centre for three weekends—July 1-2, 8-9, and 15-16, as well as competition on July 4.

Features include teams (2 men/2 women), mixed doubles, singles (including an optional senior handicap category for bowlers 50+), all-events, optional scratch events, and a Crossover Doubles. Bowlers entered in singles must also bowl doubles the first time they bowl and vice versa.

Crossover Doubles (\$10 per bowler): Enter with bowlers on same squad only. Any combination (2 men, 2 women, or 1 man and 1 woman). You will use scores bowled in your doubles or team event. There will be a separate prize fund for Crossover Doubles.

A \$100 high game male & female award will be offered on July 1, 2, and 4.

Entries, reentries, and walk-ins will be accepted based on lane availability until 1:30 p.m. on July 16, 2017. However, if you don't pre-register, there will be a \$10 fee added to your walk-in entry. An additional squad at 1:30 p.m. may be added as needed.

CONDITIONS, from page 3

Go Figure

3

Weekends scheduled in October 2017 (14-15, 21-22, 28-29) for the NCAUSBCA 36th Annual Senior Tournament.

250+

Colleges with bowling teams.

102f

USBC rule that covers the duties of the league treasurer.

16

Sessions or fewer for a league that makes available a USBC Adult Basic membership.

\$10

Cost of a USBC Adult Basic membership.

\$3,000

First-place prize won by NCAUSBCA Hall of Famer David Kneas at the recent PBA50 Rossi Lanes Open in Elmira, N.Y.

10

Bowl America centers operating within NCAUSBCA's jurisdiction.

30

Professional Bowlers Association Tour titles by bowling legend Dick Weber.

2

Minimum number of adjoining lanes for a USBC-certified tournament.

This is part of our ongoing commitment to ensure the averages of all bowlers accurately reflect a bowler's ability."

Starting with the 2017-2018 season, when a league submits its certification, the league secretary must choose one, and only one, of three lane condition options – Standard, Challenge, or Sport.

Standard will be for leagues conducted on traditional house conditions, Sport will be for true Sport leagues, while Challenge will be for leagues that use a variety of difficult patterns but are not classified as Sport-only leagues.

Data will also be used to determine a league's lane condition designation. Leagues with an average difference of 20 or more pins still will be considered Sport. Leagues with an average difference between 10-19 pins will fall into the new Challenge condition. Leagues from the 2016-2017 season will be moved into the appropriate lane condition designation based upon final averages and an analysis, and those leagues will be notified they have been moved into a new classification.

USBC also has developed new average conversion charts, for both Sport and Challenge leagues, so tournament and league managers can convert Sport and Challenge averages to Standard averages, and vice versa. The bowlers in a Challenge league will receive a new designation in "Find A Member," so tournament and other league managers are aware the bowler's average was determined in a league bowled on tougher lane conditions. Averages are to be automatically converted using the conversion charts.

The changes are based on USBC Membership's research of leagues that were marked as Standard but were reported, or discovered, to be competing on Sport or Challenge lane conditions. A check of the bowlers' averages in those leagues, compared to the bowlers' highest averages for the same season in a Standard league (min. 21 games), showed the discrepancy.

For more information, including a look at the differences between Standard, Challenge, and Sport leagues, the average conversion charts that includes the Sport and Challenge conversions, and the research data, please visit BOWL.com/SportBowling.

Mary Brown celebrates 100th birthday

Ms. Mary Brown of the District, who recently celebrated her 100th birthday, is the oldest member of the New Generation senior league at Bowlmor AMF Marlow Heights. A spry centenarian who has bowled for more than 60 years, she continues to drive and can be found practicing every Friday morning to maintain her 125 average.
