

# Bechtel Wins City Championship At Shady Grove

One of the Bechtel buildings sits just a hundred yards or so from the Fair Lanes center at Shady Grove where the 28th annual City Association championships tournament was held.

So, it was downright neighborly that a team from Bechtel entered the tournament and came away holding the City Championship title.

They bowled their title score of 3151 on the second weekend of tournament action and it held up.

Tom Miller shot a 563; Wayne Simpson went for 642; Dennis Douds hit 533; Jim Mamon stroked 582 and Ed Siminak chalked up 522 for a scratch total of 2842. With their 309 handicap added, the 3151 took the marbles.
