
Bowl America's Rolling Rewards offers free bowling to students who make the grade(s)

Bowl America, owner and operator of 12 area centers, for the fifth consecutive year is rewarding students from local elementary, middle, and high schools and colleges for their academic achievements.

Bowl America's Rolling Rewards program recognizes students' accomplishments in the classroom by awarding them a free game of bowling for every "A," "O," or equivalent grade earned on their final 2000-2001 school year report card. The program includes both primary subjects and "work study skills" and is available at Bowl America centers in Maryland and Virginia through Labor Day.

Making the grades to close out the current school session also will bring students honors during the next school year. When students bring their report cards in to redeem their free Rolling Rewards games, they automatically will be enrolled in Bowl America's first-ever Rolling Rewards Honor Roll program, which will entitle them to free bowling throughout the 2001-2002 school year.

"Rolling Rewards is just one of the ways we support our communities and encourage students to continue their hard work in the classroom," explained Bowl America General Manager Irv Clark. "We thank those school systems that have helped us to reinforce the idea that the higher you strive, the greater your reward."

Students must present their *original* report card at the time of redemption at Bowl America; no photocopies or duplications are accepted. The offer is limited to the student whose name appears on the report card and is not transferable. Multiple free games may be redeemed during each visit when lanes are available.

For more information, please call Bowl America Programs Director Jeff Dittmer at 703/941-6300.
