

Cast-ing for a Strike

THE HARD WAY. Steve Farris, bowling in the Tuesday Night Mixed League at Seminary Lanes, broke his foot and wore a cast for six weeks but didn't let that stop him from his regular bowling. Standing at the foul line instead of sliding Steve coped. He holds the high handicap set in the league with 714 and carries a 135 average. The 714 set was rolled BC — before the cast.
