

KNEAS OVERCOMES FAILURE, REACHES GOAL

Dave Kneas

As the subject of the "Mini-Bio" in the December/January issue this season, Dave Kneas of Annapolis noted that his most immediate bowling goal and biggest personal failure involved a Professional Bowlers Association title-wanting yet not having one. Well, no longer: In April, however, at the PBA South Region Ft. Belvoir (Va.) Senior Open, he brought home his first PBA championship, defeated Jay Boyle, Garnet Valley, Pa., 229-191 to capture the \$1,500 top prize. Several other area bowlers cashed in this event; visit the "Tournament Roundup" on page 22 for the complete list.
