
Onufrak perfect at Burke

Pat Onufrak, a former WDCAWBA top 10-ranked member, recently tossed her first perfect game in the Ladies Pioneer league at Bowl America Burke.

“It’s all downhill from here,” she joked following her January 29 accomplishment.

Onufrak, who currently is bowling in only one league yet averages 194, previously had recorded a 700 series, but she was embarrassed when asked about her perfect-game series.

“I remember telling my mother that I had a 629 set and that my first two games were 161 and 168. She started doing the math in her head and said, ‘That [last game] is 290-something or 300!’ I nodded and couldn’t help but smile when I told her it was the latter.”
