

## Brothers hired as association manager

The Nation's Capital Area USBC Association (NCAUSBCA) has announced that Ray Brothers of Alexandria has been hired as association manager.

NCAUSBCA was formed as a result of a merger between the Nation's Capital Area Bowling Association (NCABA), the Washington, D.C. Area Women's Bowling Association, and the Vir-Mar District Junior Bowling Association.

In his new position, Brothers, who is accountable to the NCAUSBCA board of directors and USBC Headquarters, will hire a staff and be responsible for the day-to-day management of the association and compliance with the *USBC Bylaws and Association Policy Manual*. His duties will include the ordering of association supplies from USBC Headquarters and the retention of association records.

Brothers joined the NCABA board in 1981 and became fifth vice president two years later, advancing through the chairs to the presidency for the 1988-89 season. Following his term in office, he became assistant secretary (later renamed assistant executive director) and served in that post until 1995 when he succeeded Leonard Ray as executive director, a position he held through the recent merger process.

Brothers requests that individuals interested in joining the staff should forward a brief résumé to him at the association office.
